B-uck Distribution

Our team will be using b-ucks as a tool to build excitement for our kids. Below are different areas we will distribute the b-ucks:

1. Attendance - each time the kids attend Worship services, outings, or planned events they will receive b-ucks.
2. Friends - when kids bring a first time guest with them they will receive a b-uck per first time guest.
3. Bibles - when the kids bring their Bible they will receive a b-uck.
4. Scripture Memory- throughout the month we will provide scriptures for the kids to memorize. Each scripture they memorize they will receive a b-uck.
5. Participation - when the kids participate in the activities they will receive a b-uck.
6. Special Circumstances - when the kids do something you feel is special you may distribute more than one b-uck. For example if they go above and beyond and either help you out or someone else out on their own free will this would constitute a special circumstance.
7. Parent Resources - your kids can also be awarded for spending time with their parents using our resources. On bccdallas.com the parents can view resources to help them emphasize Sunday's lesson with their kids. If they kids bring back a signed copy of this resource or a note from their parent, they can receive a b-uck per day they spend time learning more about the lesson.
8. Losing b-ucks - because there are good and bad consequences in everything we do the kids can also lose b-ucks. We understand kids are kids and they are going to mess up but they will lose the b-ucks for any of the following reasons:
 - A. Disrespect to any of our staff or other kids / Parents will be notified
 - B. Disruptive to the point they are distracting our staff or other kids / Parents will be notified
 - C. Abusive language / Parents will be notified
 - D. Hitting or Bullying / Parents will be notified

How do they use the b-ucks?

The kids will get the chance each Sunday to use their b-ucks by purchasing different items from the b-kids store. The more b-ucks they save the better the items they can obtain. The items range from candy and caprisuns to nerf guns or spy gear. The items will be listed in the store so the kids know how many b-ucks they will need for these items.

Drawings

On any given Sunday we will have drawings outside of the normal b-uck distribution. The kid with the winning ticket will get to draw a prize from the b-kids vault.
