MAD, MAD WORLD

Mob Madness

Have you ever asked the question, “Who are ***they***?” It seems like when we deal with mob madness in this mad, mad world we’re often confronted by a spokesperson who will say, “I don’t really have a problem with this but ***they*** do!”

- Who are “***they***?”
- Isn’t it interesting that “***they***” never have individual names?
- Should we be moved by those who hide anonymously behind the term “***they***?”
- Read *Daniel 6:3-22*
- Jesus clearly tells us in *Matthew 18:15-16* how to handle the “***they***”
- In reading this text you will learn that unless “***they***” have a name, don’t waste your time!
